 DMAS Medicaid Member Advisory Committee Survey

The Department of Medical Assistance Services (DMAS) has established the Medicaid Member Advisory Committee (MAC). The purpose of the MAC is to ensure that the Medicaid member voice is included in the DMAS decision-making process and to inform DMAS change management strategies. Made up entirely of Medicaid members or their authorized representatives, the MAC will give voice to the members' Medicaid experience. You can learn more about the MAC at: <http://dmas.virginia.gov/#/memberAdvisory>.

If you receive Medicaid, or are the authorized representative for a person who receives Medicaid, and are interested in being considered for membership in the MAC, please download and complete this form and return it by email to MAC@dmas.virginia.gov or by mail to DMAS, Attn: Natalie Pennywell, 600 East Broad Street – 13th Floor, Richmond, Va. 23219.

Filling out this survey **will not change** your Medicaid status or services. We ask questions about race, gender and preferred language to help us make sure everyone has a voice on the committee. If there is a question you prefer not to answer, you can skip it. Fields marked with an asterisk (*) are mandatory.
