A. Remote Participation of Individual Members

3. Documentation: The following information must be included in the meeting minutes:
 - a. The fact that the member participated through electronic communication means and the reason as listed in A.1, 2, or 3 above.
 - b. Notwithstanding the disclosure requirement, the specific medical condition(s) or related clinical information affecting the member requesting remote participation shall not be publicly disclosed.

4. Limitation: There is no limit on the number of times per calendar year an individual member may participate remotely.
5. Consistent Application of Policy: In accordance with § 2.2-3708.3 of the Code of Virginia, this policy shall be applied strictly and uniformly, without exception, to the entire membership and without regard to the identity of the member requesting remote participation or the matters that will be considered or voted on at the meeting.

The policy for remote participation and procedures for approval shall also apply to meetings of any subcommittee designated by the Committee to perform delegated functions or to advise the Committee.

7. No more than two members of the Committee shall be together in any one remote location unless that remote location is open to the public to physically access it.
