Virginia's Medicaid Program

WHAT'S NOT CHANGING

Medicaid Enrollment: Youth will continue to be enrolled in Medicaid as long as they remain eligible.

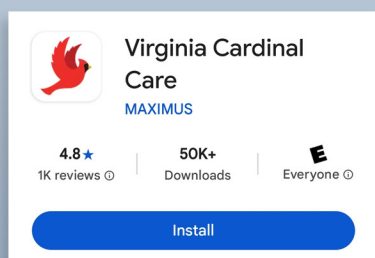

Benefits and Services: Benefits will not be interrupted as long as the individual remains eligible for Medicaid.

WHAT DOES THIS MEAN FOR YOU?

Within the next 30 - 60 days you will receive a FCSP assignment letter with additional information.

If you choose to Opt-Out, your child will not have access to the extra benefits offered by the Foster Care Specialty Plan, including:

- A dedicated Foster Care Specialty Support Line active upon enrollment (Mon-Fri 8am-5pm, 833-838-2605).
- Individualized Care Management support with expertise navigating adoption assistance and Post-Adoption Care Management (PACM).
- Care and wellness items, including access to sensory items for qualifying members.
- Family games and movie nights with special activity packages included.

Until the Foster Care Specialty Plan enrollment, members will continue to receive managed care coverage and services through their current health plan.
