The state/territory assures that it is not imposing limits on habilitative services and devices that are more stringent than limits on rehabilitative services (45 CFR 156.115(a)(5)(ii)). Further, the state/territory understands that separate coverage limits must also be established for rehabilitative and habilitative services and devices. Combined rehabilitative and habilitative limits are allowed, if these limits can be exceeded based on medical necessity.

#### **Benefits Assurances**

#### **EPSDT** Assurances

If the target population includes persons under 21, please complete the following assurances regarding EPSDT. Otherwise, skip to the Prescription Drug Coverage Assurances below.

The alternative benefit plan includes beneficiaries under 21 years of age.

The state/territory assures that the notice to an individual includes a description of the method for ensuring access to EPSDT services (42 CFR 440.345).

The state/territory assures EPSDT services will be provided to individuals under 21 years of age who are covered under the state/territory plan under section 1902(a)(10)(A) of the Act.

Indicate whether EPSDT services will be provided only through an Alternative Benefit Plan or whether the state/territory will provide additional benefits to ensure EPSDT services:

Through an Alternative Benefit Plan.

Through an Alternative Benefit Plan with additional benefits to ensure EPSDT services as defined in 1905(r).

Per 42 CFR 440.345, please describe how the additional benefits will be provided, how access to additional benefits will be coordinated and how beneficiaries and providers will be informed of these processes in order to ensure individuals have access to the full EPSDT benefit.

Indicate whether additional EPSDT benefits will be provided through fee-for-service or contracts with a provider:

State/territory provides additional EPSDT benefits through fee-for-service.

State/territory contracts with a provider for additional EPSDT services.

Other Information regarding how ESPDT benefits will be provided to participants under 21 years of age (optional):

#### **Prescription Drug Coverage Assurances**

The state/territory assures that it meets the minimum requirements for prescription drug coverage in section 1937 of the Act and implementing regulations at 42 CFR 440.347. Coverage is at least the greater of one drug in each United States Pharmacopeia (USP) category and class or the same number of prescription drugs in each category and class as the base benchmark.

The state/territory assures that procedures are in place to allow a beneficiary to request and gain access to clinically appropriate prescription drugs when not covered.

The state/territory assures that when it pays for outpatient prescription drugs covered under an Alternative Benefit Plan, it meets the requirements of section 1927 of the Act and implementing regulations at 42 CFR 440.345, except for those requirements that are directly contrary to amount, duration and scope of coverage permitted under section 1937 of the Act.

The state/territory assures that when conducting prior authorization of prescription drugs under an Alternative Benefit Plan, it complies with prior authorization program requirements in section 1927(d)(5) of the Act.

#### **Other Benefit Assurances**

The state/territory assures that substituted benefits are actuarially equivalent to the benefits they replaced from the base benchmark plan, and that the state/territory has actuarial certification for substituted benefits available for CMS inspection if requested by CMS.

The state/territory assures that individuals will have access to services in Rural Health Clinics (RHC) and Federally Qualified Health Centers (FQHC) as defined in subparagraphs (B) and (C) of section 1905(a)(2) of the Social Security Act.

The state/territory assures that payment for RHC and FQHC services is made in accordance with the requirements of section 1902(bb) of the Social Security Act.

The state/territory assures that it will comply with the requirement of section 1937(b)(5) of the Act by providing, effective January 1, 2014, to all Alternative Benefit Plan participants at least Essential Health Benefits as described in section 1302(b) of the Patient Protection and Affordable Care Act.

The state/territory assures that it will comply with the mental health and substance use disorder parity requirements of section 1937(b)(6) of the Act by ensuring that the financial requirements and treatment limitations applicable to mental health or substance use disorder benefits comply with the requirements of section 2705(a) of the Public Health Service Act in the same manner as such requirements apply to a group health plan.

The state/territory assures that it will comply with section 1937(b)(7) of the Act by ensuring that benefits provided to Alternative Benefit Plan participants include, for any individual described in section 1905(a)(4)(C), medical assistance for family planning services and supplies in accordance with such section.

The state/territory assures transportation (emergency and non-emergency) for individuals enrolled in an Alternative Benefit Plan in accordance with 42 CFR 431.53.

The state/territory assures, in accordance with 45 CFR 156.115(a)(4) and 45 CFR 147.130, that it will provide as Essential Health Benefits a broad range of preventive services including: "A" and "B" services recommended by the United States Preventive Services Task Force; Advisory Committee for Immunization Practices (ACIP) recommended vaccines; preventive care and screening for infants, children and adults recommended by HRSA's Bright Futures program/project; and additional preventive services for women recommended by the Institute of Medicine (IOM).

#### Service Delivery Systems

Provide detail on the type of delivery system(s) the state/territory will use for the Alternative Benefit Plan's benchmark benefit package or benchmark-equivalent benefit package, including any variation by the participants' geographic area.

Type of service delivery system(s) the state/territory will use for this Alternative Benefit Plan(s).

Select one or more service delivery systems:

Managed care.

Managed Care Organizations (MCO).

Prepaid Inpatient Health Plans (PIHP).

Prepaid Ambulatory Health Plans (PAHP).

Primary Care Case Management (PCCM).

Fee-for-service.

Other service delivery system.

#### Managed Care Options

#### Managed Care Assurance

The state/territory certifies that it will comply with all applicable Medicaid laws and regulations, including but not limited to sections 1903(m), 1905(t), and 1932 of the Act and 42 CFR Part 438, in providing managed care services through this Alternative Benefit Plan. This includes the requirement for CMS approval of contracts and rates pursuant to 42 CFR 438.6.

#### **Managed Care Implementation**

Please describe the implementation plan for the Alternative Benefit Plan under managed care including member, stakeholder, and provider outreach efforts.

The Alternative Benefit Plan for a portion of the Medicaid Buy-In population is already functioning under managed care. As such it already has well-established member, stakeholder, and provider outreach efforts under way. DMAS and its stakeholder partners will continue to monitor these efforts to ensure efficient and effective delivery of managed care services to this population. If additional services are needed, the services will be provided through the fee-for-service program.

#### MCO: Managed Care Organization

The managed care delivery system is the same as an already approved managed care program.

Yes

OMB Control Number: 09381148

The managed care program is operating under (select one):

Section 1915(a) voluntary managed care program.

Section 1915(b) managed care waiver.

Section 1932(a) mandatory managed care state plan amendment.

Section 1115 demonstration.

Section 1937 Alternative (Benchmark) Benefit Plan state plan amendment.

Identify the date the managed care program was approved by CMS:

lastest approval date

Describe program below:

The Virginia Medicaid Managed Care program (Medallion) operating with contracted MCOs was initially approved by CMS January 1, 1996. Since its inception, this program continued to expand the number of populations covered as well as the geographical area served. In July 2013, the managed care program expanded to cover the entire state of Virginia.

The CCC Plus waiver was approved April 27, 2017 with an effective date of July 1, 2017 and was approved for five years. Th latest CMS re-approval of the CCC Plus waiver was July 1, 2021.

Medicaid Buy-In individuals are enrolled in Medicaid MCOs unless they have other health insurance coverage (TPL), including Medicare. Individuals that have TPL are enrolled in the Medicaid fee-for-service (FFS) program and receive wraparound coverage, including any ABP services not provided by the primary health insurer, through the FFS program.

The Alternative Benefit Plan will be provided through primary care case management (PCCM) consistent with applicable managed care requirements (42 CFR Part 438, section 1903(m) of the Social Security Act, and section 1932 of the Social Security Act).

#### #type# Procurement or Selection Method

Indicate the method used to select #type#s:

Competitive procurement method (RFP, RFA).

Other procurement/selection method.

Describe the method used by the state/territory to procure or select the MCOs:

#### Other MCO-Based Service Delivery System Characteristics

One or more of the Alternative Benefit Plan benefits or services will be provided apart from the managed care organization.

MCO service delivery is provided on less than a statewide basis.

#type# Participation Exclusions

Individuals are excluded from MCO participation in the Alternative Benefit Plan: No

#### General #type# Participation Requirements

Indicate if participation in the managed care is mandatory or voluntary:

Yes

Mandatory participation.

Voluntary participation. Indicate the method for effectuating enrollment:

Describe method of enrollment in MCOs:

Once individuals are enrolled in Medicaid, they will receive a letter indicating that they may select one of the contracted MCOs. These letters shall indicate an assigned MCO in which the member will be enrolled if he does not make a selection within a period specified by DMAS of not less than 30 days. (Individuals are assigned through a system algorithm based upon the member's history with a contracted MCO.) DMAS has sole responsibility for determining enrollment in the contractor's plan. DMAS utilizes an independent enrollment broker under contract to DMAS to assist members with making plan choices after initial preassignment and during open enrollment.

#### Additional Information: #type# (Optional)

Provide any additional details regarding this service delivery system (optional):

#### **Fee-For-Service Options**

Indicate whether the state/territory offers traditional fee-for-service and/or services managed under an administrative services organization:

Traditional state-managed fee-for-service

Services managed under an administrative services organization (ASO) arrangement

Please describe this fee-for-service delivery system, including any bundled payment arrangements, pay for performance, fee-for-service care management models/non-risk, contractual incentives as well as the population served via this delivery system.

The Medicaid fee-for-service (FFS) system provides services to Medicaid-eligible individuals state-wide. The program covers newly-Medicaid-enrolled individuals until they can enroll in a Medicaid-contracted MCO in the managed care program. It also covers the following services and individuals that are carved out of or excluded from the managed care program: IEP school health services, dental services, and home and community-based waiver services. The FFS program provides dental health services for Medicaid individuals through an administrative service organization (ASO). Transportation services are provided through a capitated arrangement with a private contractor.
